STATE OF ALASKA
2021 LEGISLATIVE SESSION

BILL NO. HB100

Analysis

The legislation would have a positive impact on the University of Alaska (UA) because it extends the sunset date referenced in AS 23.15.835(d), related to the Alaska Workforce Investment Board. The date would be extended from June 30, 2021 to June 30, 2024. That extension ensures that money will continue to fund the UA's Technical Vocational Education Program (TVEP).

The anticipated amount for FY22 is \$5,213.1 (in thousands). The UA's projected estimate for the future fiscal years of the extension remain presumptively restrained until fiscal data proves otherwise.

Expenditures for TVEP are split evenly between "Personal Services" and "Commodities."
